

NEO C-4K

USB-C to 4K @ 60Hz HDMI Cable (180cm)

The Ultimate Viewing Experience.

Our USB-C to 4K @ 60Hz HDMI cable enables the output of Ultra HD video and digital audio from your USB-C equipped device to an Ultra HD TV or monitor.

Crisp 60Hz Refresh Rate.

Delivering 4K @ 60Hz, the cable provides premium quality 4K Ultra HD picture and sound for the ultimate viewing experience, perfect for streaming movies or watching videos from your USB-C equipped device on an external display.

Extend and Mirror Modes.

The cable supports both extend and mirror modes, allowing you to either mirror the display of your USB-C equipped devices onto a TV or monitor, or connect it as a second display.

Simply Plug-andPlay Connection.

It's plug-and-play design means no driver installation is required, simply connect the cable directly to the USB-C port on your device and then to a TV or monitor.

Universal Compatibility.

The cable offers universal compatibility, supporting Windows, Mac and Chrome OS. It's also backwards compatible with 720p HS and Full 1080p HD resolutions.
